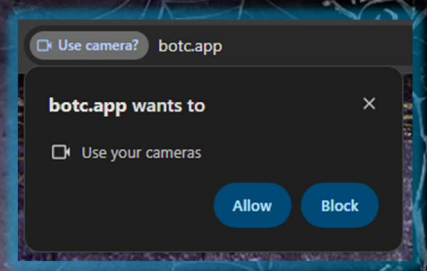
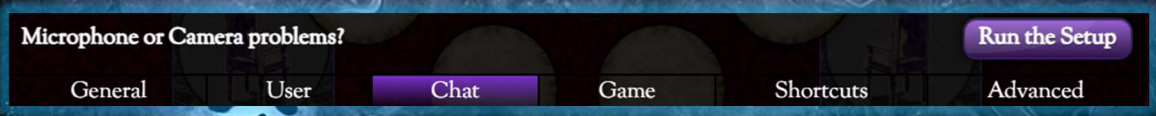
Pre-game Set Up:



- Visit https://botc.app/login and register for a free account! Please make sure to Allow access to your camera and mic!

- 15 minutes before the game session, I will send you a link for your game. Click on it to join the game and then claim a seat:

- Your camera and mic should be working automatically, but if not, press Q on your keyboard to bring up the settings menu, go to Chat and click Run the Setup



Playing the game:

- During the game, you will be able to talk publicly to the group while you're in the Town Square.

- If you want to talk to someone in a private chat, you can ask them to join you in one of the breakout rooms to the left of the screen on the Voice tab:

- To leave the room, click on the little exit arrow:

- If you want to speak to the Storyteller in private, hit Enter/Return on your keyboard and a speech bubble will appear over their video. Click on it and wait for them to come and speak to you.

- You can also send private text messages to the Storyteller and your neighbours in the same way but click on the envelope symbol instead of the speech bubble.

- To vote on a nomination, you can press spacebar on your keyboard or click the on-screen prompt.

- To view the list of characters available, you can either hit C on your keyboard or click on the characters tab on the right side of the screen:

- To view the order that characters act in the Night, hit O on your keyboard
